LEGEND

1986

WE,

THE CLASS OF 1986,

LEAVE

THESE FOND MEMORIES . . .

It has been my pleasure to preview the copy of the Legend which you were kind enough to present to me. It is an outstanding publication and one which reflects the amount of work dedication to excellence that went into its preparation. Not only does it serve as a record of events of this past year, but it seems to capture the spirit, the very essence of our school. The senior class members will soon become alumni of Weequahic High School.

Time, which never stops on its journey, will pass before your eyes and in a few months you will be members of a community looking back on the years you spent at Weequahic High School. When you do look back, the photos, facts and memories in this book will be the milestones of a happy reminiscence.

The yearbook advisor and staff are to be congratulated on their fine accomplishment. A great deal of their excellence and professionalism was the result of mutual understanding and respect. I am certain that all of you must find satisfaction and justifiable pride in this undertaking.

Again my heartiest congratulations to the yearbook advisor on a most outstanding yearbook. And to my seniors, may your memories of Weequahic High School be pleasant and may your future be filled with happiness and success.

With every wish for a bright tomorrow.

Lawrence Major
Principal

My warm congratulations to the graduating Class of 1986!

You have toiled hard and diligently through the years and now you are reaping the benefits.

Continue to strive for all that life holds for you and success will be yours.

Best Wishes!

Norma F. Brown
Vice Principal

I sincerely believe the Class of 1986 deserves special recognition and praise. You have endured many unfortunate hardships during your four years at Weequahic High School. A class with lesser character and integrity might not have survived many of the disappointments you have endured. If adversities develop character, you are a perfect example. You have withstood their assaults, you have triumphed. And for these, you have tasted the fruits of victory. Allow yourselves the pleasure to profit from such experiences.

A host of opportunities await you. You have etched your profiles into the illustrious history of Weequahic High School. Go out into the world with determination, dedication and success will have no limitations.

Again, I say to you, "Congratulations!"

Charles D. Meadows

C. Meadows
Vice Principal

Congratulations to the Class of 1986! You have just completed the first step toward self sufficiency - high school. The knowledge you have acquired during these four years should now become a springboard for a successful and rewarding future.

As you enter adulthood reflect upon the pleasant memories and achievements; learning from the misfortunes and the errors of the past.

You are the role models of the present and the future. Your progeny will inherit the legacy you set into motion.

Best wishes always and continue to prosper.

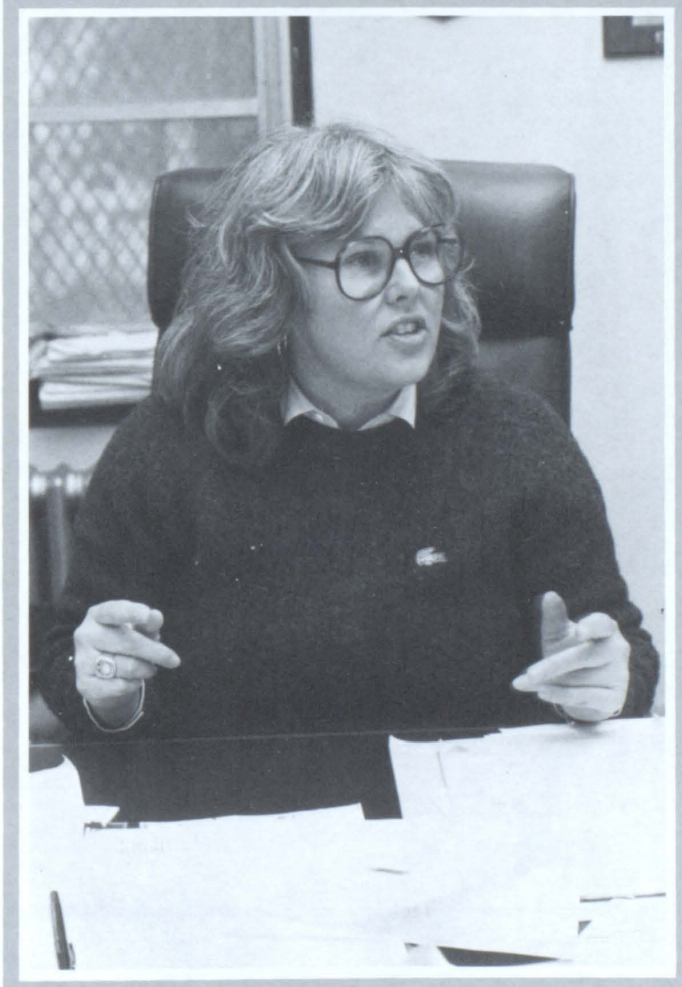

Benjamin O'Neal
Vice Principal

In dreams begins responsibility. William Butler Yeats

Dear Class of 1986:

Somewhere along the line I'm supposed to take time to write. I must tell you that trips to Dunkin Donuts every night are not my idea of a good time. But it seems you are. I've truly enjoyed the time I've spent with you, whether in fund raising, or at lunch, or just in my office. You will be missed.

It is not easy to think about saying good bye, now. You have grown intellectually, emotionally and socially since we first met. It has been your class for whom I've felt the most responsibility. For me, you've been the living vision I've had for this school. My dreams for your successes are grounded in my sense of responsibility and commitment to my profession and to your potential. I hope you have dreamed with me.

I wish you the very best. I encourage you to keep your dreams — and mine — alive. Wherever you go from here, wherever I go, I will try to be in place for you, should the need arise. Remember that.

Godspeed,

Jeanne N. Oppel
Vice Principal

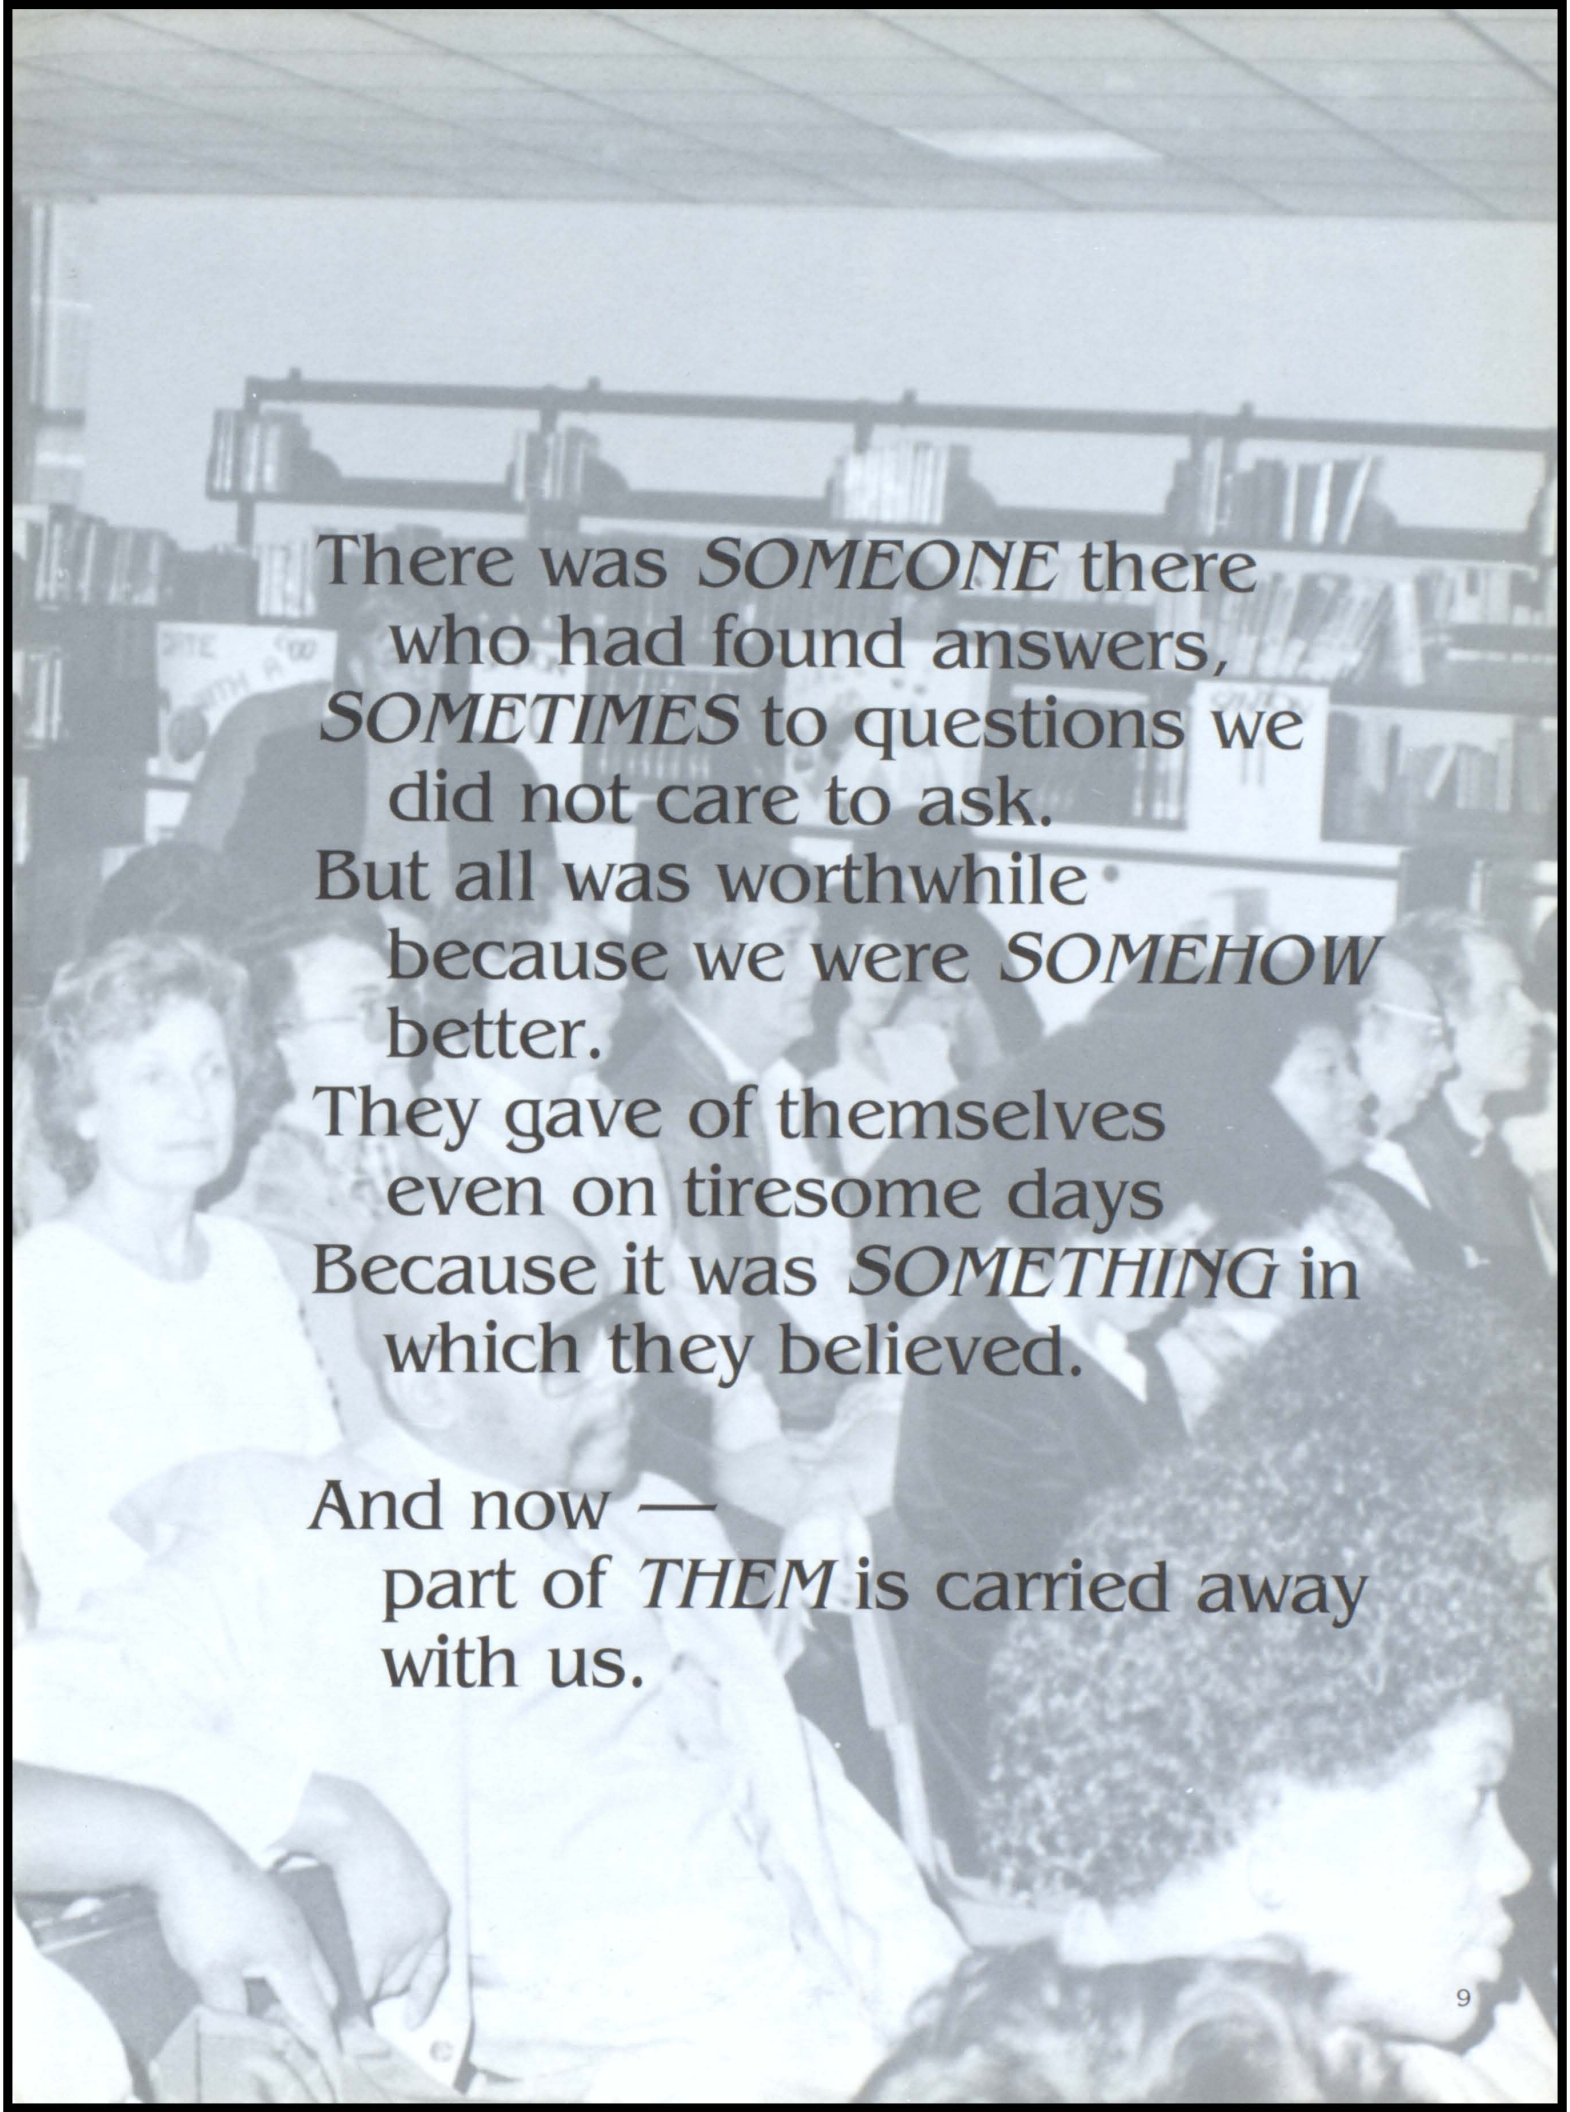

It is with a great deal of pleasure that I congratulate you on another milestone in your lives. The administration and faculty have tried to steer you toward preparations for the future. When opportunity presents itself, only those who are prepared are more likely to succeed. Set your sights now on your goals, your wishes, and your ambitions, strive always to be the best you can.

My best wishes to all of you, for a bright and productive future.

Sincerely,

Louis Passanante

Louis Passanante
Vice Principal

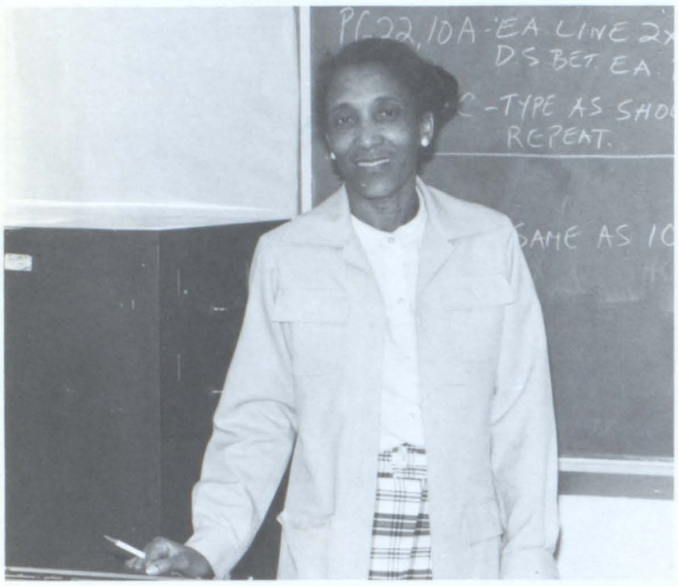

There was *SOMEONE* there
who had found answers,
SOMETIMES to questions we
did not care to ask.
But all was worthwhile
because we were *SOMEHOW*
better.
They gave of themselves
even on tiresome days
Because it was *SOMETHING* in
which they believed.

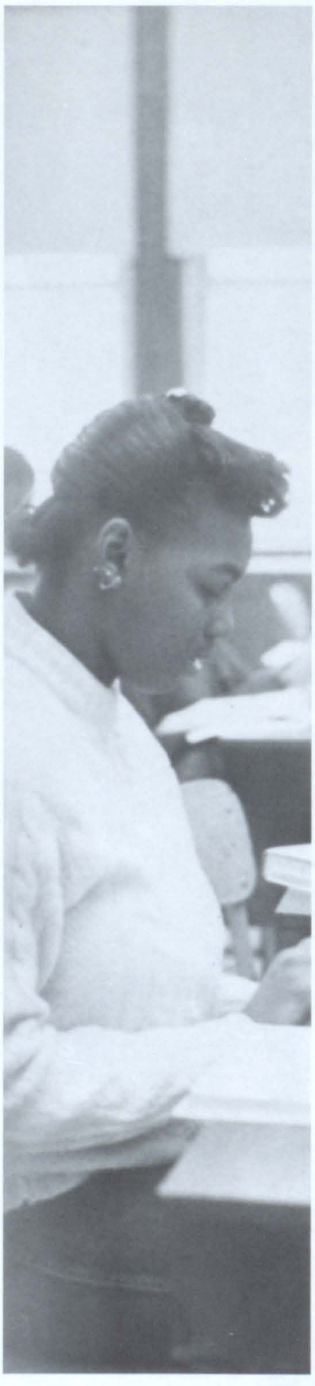

And now —
part of *THEM* is carried away
with us.

BUSINESS

BUSINESS as usual in the Business Department means preparing our students for the job market in the 21st Century . . .

ENGLISH

English class is much more than nouns, verbs, adverbs, and other such grammar. It is literature from around the world. It is "creative expression" not found in math or science but is encouraged in English classes. The English teachers believe that "if every student can leave Weequahic with skills that relate to each of his goals, our objectives have been accomplished." And for this we are grateful!

LIBRARY

The library shelves reveal improbable sources during panic searches for term papers. It helps by furnishing English students with the classics required, as well as the critical essays necessary to understand them.

For some Weequahic students, it serves as a refuge from the vocal - lunch period. While for others it offers a world of fantasy and adventure when reality becomes too overpowering. And to all, it is a place to *RELAX*.

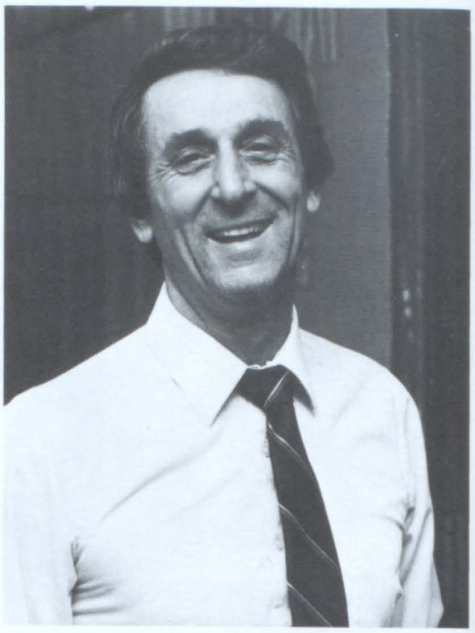

HEALTH and PHYSICAL EDUCATION

In our *HEALTH* and *PHYSICAL EDUCATION* classes, we try to help develop a student's mode of living by discussion of real life situations.

With *P*hysical *E*ducation, students can learn how to react with others in a society that finds enjoyment in athletic activities.

The *H*ealth classes help the student gain knowledge of how he or she will take a place in a society plagued by alcoholism, and disease.

Thus, it has been said, "Our Department strives to develop a student's physical powers, habits, and character."

SCIENCE

The *ENTHUSIASM,* with which the *SCIENCE TEACHERS* conduct their classes, provides an atmosphere for learning. Such courses are Biology, Chemistry, and Physics, prepare college - bound students with a solid foundation of concepts and theories.

The "endless humor, dry wit, and sincerity" of these teachers makes *SCIENCE ENJOYABLE.*

SOCIAL STUDIES

The PRIMARY concern of the Social Studies Department is to teach our students to THINK CRITICALLY FOR THEMSELVES, and to arrive at a decision that is based upon fact, and not myth or prejudice.

You, the GRADUATES of today, are the CITIZENS of tomorrow and the success or failure of this COUNTRY is largely in YOUR HANDS.

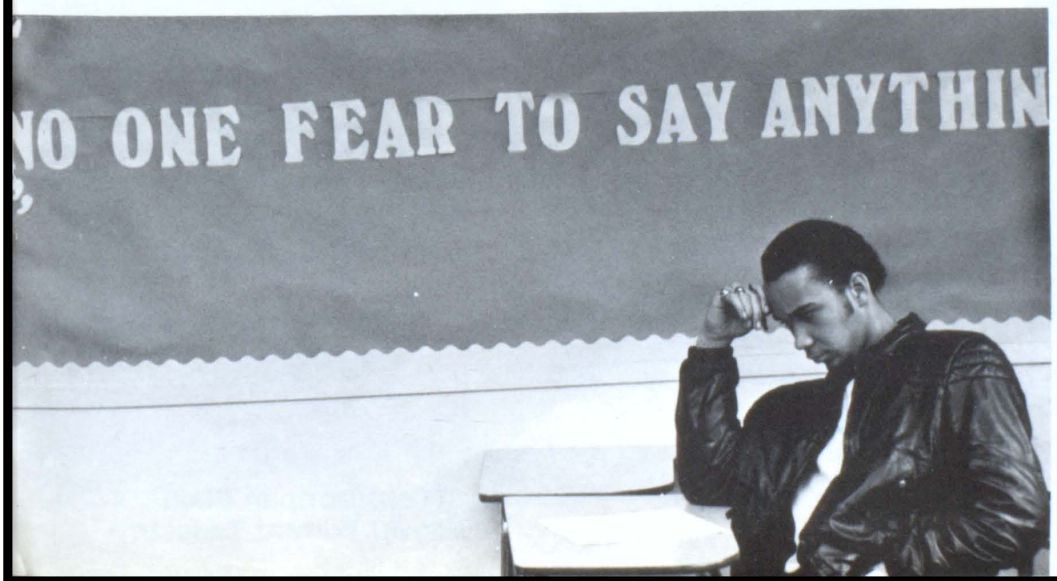

Robert Hollander, Chairman

Dr. Loretta Osakawe

SPECIAL EDUCATION

Special Education is simply, the education of students with special needs. These needs may be academic, social and/or emotional. A major emphasis is placed on obtaining functional knowledge, cultural awareness, a high degree of self - worth and positive social interaction.

Denise Fonseca

SUPPORTIVE SERVICES

Who are the people who spend a lot of time with us on a one to one basis? The SUPPORTIVE STAFF are those people who help us individually and never seem to get angry at us. They always have a smile on their face, even when we don't follow the correct procedures.

We appreciate all you have done for us, though it would seem that we didn't.

Nikita Joyner

Lorraine White

Connie Whtie

HEALTH OFFICE

Can I go to the nurse? This is one of the most frequently asked questions in Weequahic High School. Sometimes the desire to go to the nurse is justified, at other times it is just a ploy to get out of class for twenty minutes.

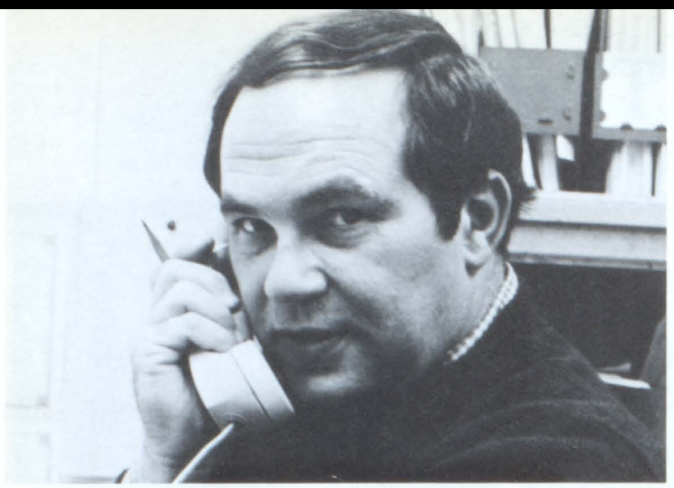

We may joke about getting an aspirin for various ailments that we contract, but we are glad to have, in time of need, a nurse to help us.

Zelda Henderson

Ruth Williams

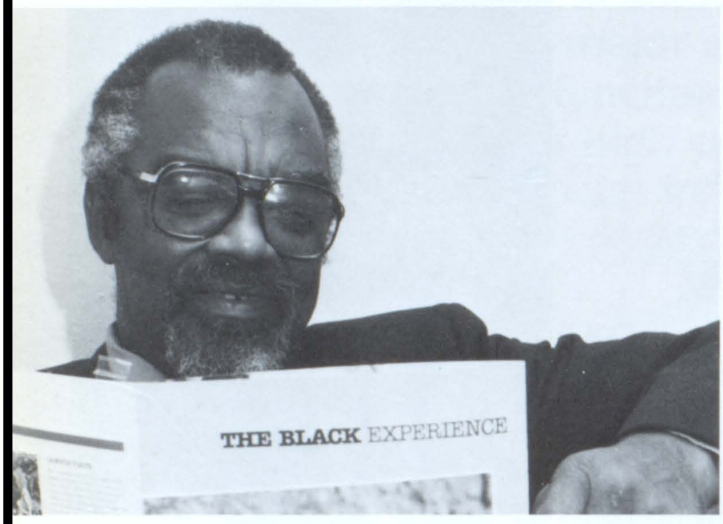

GUIDANCE

The *GUIDANCE OFFICE* is the place to register for PSATs, and for some to complain when course difficulties surface.

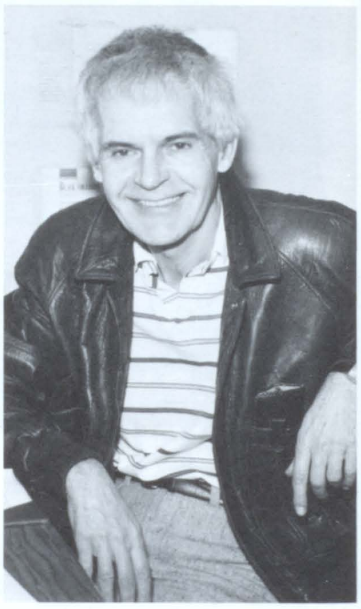

Our *G*uidance *C*ounselors know more about students at *W*eequahic, than grades and test scores. They give suggestions that may make life after high school a success!

CONQUERING! SOARING! Bringing MIND and SPIRIT to new heights! There is an awareness of one's abilities and limitations because of competition. The body grows and stretches, branching up and out to accomplish new feats hardly thought possible by oneself. Through discovering yourself, and others, either by teamwork, or individual competition, SPORTS can be an outgrowth of YOURSELF.

CLUBS and ORGANIZATIONS

the VOICE of WEEQUAHIC . . . the O.B.A.

We take PRIDE in the student body and in our school. Our primary goal is for cultural programs and community projects to be student orientated. We will improve the academic and the social life at WEEQUAHIC. We, the O.B.A., will stop at nothing short of meeting these challenges.

DEBATE

The WEEQUAHIC Debate Team though only 1½ years young has demonstrated excellence in the Lincoln-Douglas format. Initially, the task of creating a convincing argument was difficult, until our debaters were presented with information that was undeniably logical.

Strategies take time to foster and implement - to achieve the win.

At present, our debators have won 3 in their short team-life.

Naa-mono Adjoga

THE FUTURE BUSINESS LEADERS of AMERICA CLUB . . .

is an organization designed to expose students to the world of business. Its goals are to instill in the young people the desire to become part of the business community, after completing their education, and to encourage these students to gain a basic understanding of how community business operates.

Advisor: Leo Brady

LEGAL CLUB . . .

at Weequahic H.S. fosters a "special" respect for law and order, where the need to become responsible is viewed as a positive means for change. The principles governing civil and criminal courts are explained by looking at the "rights of every citizen that must be upheld under the law."

symposium offered first hand information to seniors from competent speakers from various professions who spoke on how to successfully start and manage your own business.

Seniors were allowed to choose from the seminars related to the businesses represented and were involved in a full day of activities. The activities began with a country-style breakfast and from there, a

mortuary science, real estate, telemarketing, insurance, construction, architects, retail, and energy co-op. The guest speakers provided valuable information for students that could possibly lead to a growing population of Black entrepreneurs.

****Four stars for the OBA for sponsor-

Four Years . . . It seems like a L-O-N-G time and yet, we, the class of '86, know that it can go by so quickly. For anyone briefly connected with Weequahic High School during their life, those years have impressions that have become memories. And each person has their own set of good times and hassles, friendships, successes, and memories.

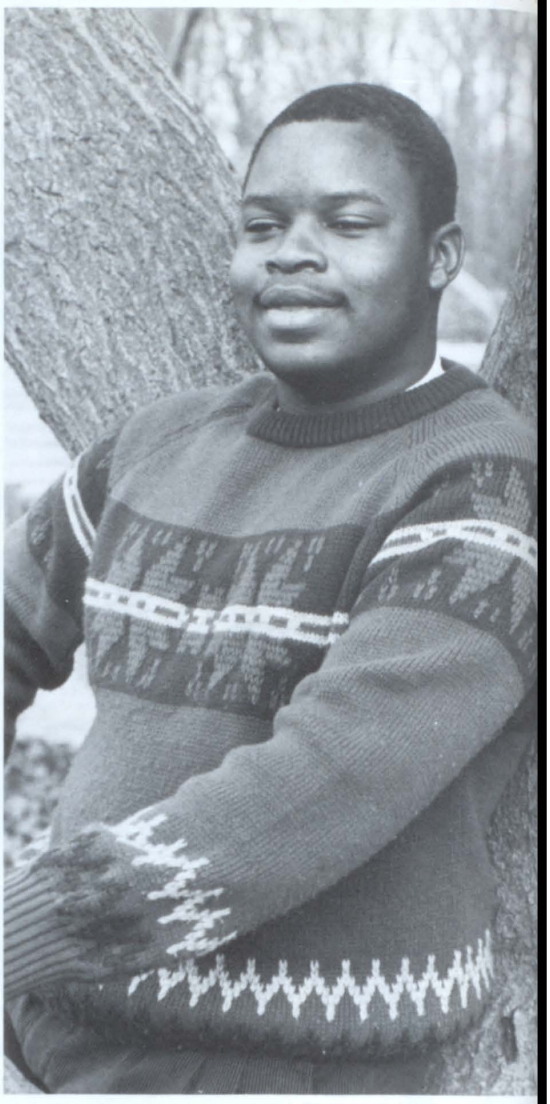

These below are perhaps among them . . . yet, the remainder are personal, but definitely there.

"Room 221"
Having to find a security guard to unlock any bathroom, when you really had to go.
Mr. Grompone's 7:45 am class.
The "smells" from the Chemistry Lab.
Aquarius lunch periods.
"Putting On The Hits"
Virginia Beach
Rasberry and his Mr. T . . . look.
Our Dunkin-Doughnuts.
Mrs. Brown, "Let me see your I.D."
Clint Samuel played Prince in "Putting On The Hits".
Mr. Wallace locked the bandroom keys in the room and they had to take the door off the hinges.
The 1985 afternoon fire drills.
The cigarette you never got to finish while in the 3rd floor bathroom.
G.G. do you remember how Diane Hill's hair caught on fire?
The Blackout of '82.
Dr. Hayden combed his hair.
Mrs. Banks and her wooden shoes.
Diane White laughed so hard she fell off her seat in the cafeteria.
Mrs. Stackhouse and Macbeth.
"Kill that noise!"

WEEQUAHIC
HIGH SCHOOL
MCMXXXII

. . . the halls are empty, and our laughter is but an echo. We are going on to accomplish still greater things, but we shall always look back in GRATITUDE.

WADSWORTH PUBLISHING COMPANY / MARCELINE, MISSOURI 64658
